Dear ALL

We welcome you to our centre- a centre for excellence. SELTI has been working for more than 30 years now! Over these years it has made great leaps - vertically and horizontally.

We have expanded our programmes to virtually all aspects of English language teaching; Teacher Training, General English, Translation. We have also been running courses for capacity building for the civil service and also for the military; negotiation, administrative English, communication, etc. Our ESP courses cover the whole range of the spectrum. Our competent staff has accumulated both quality knowledge and unmatched skills and they work on basis of evidence-based teaching and learning.

SELTi is second to none!! Because SELTI's clients are second to none!!!

Thanks a lot!
